Dear Colleague:

On Wednesday, June 3, 2009, leaders of the copper industry will meet in New York City at the **2009 Annual Copper Club Dinner** for an evening of networking, entertainment and acknowledgement of those who have displayed individual achievements and contributions to the copper industry, as well as those we recognize as the future of our industry. Additionally, we will honor our 2009 Copper Man of the Year, **Richard C. Adkerson**, president and CEO, Freeport-McMoRan Copper & Gold Inc. with The Copper Club Ankh Award.

In 2008, a number of companies joined us as valued sponsors. Funds raised went directly toward The Copper Club's Educational Grants Program, which assists exceptional students in preparing for careers in fields related to maintenance and expansion of the copper industry. Each grant is \$10,000, and is awarded to students who demonstrate academic excellence and financial need. To ensure the continuation of this program and its success, we ask that you become a supporter this year as a contributing sponsor.

Enclosed are the benefits for each sponsorship level, which offer an opportunity for your company to receive tickets, special recognition at the Copper Club's Annual Dinner and more. We graciously thank those who have been generous supporters of this program, both current and past. To date, we have received sponsorships from the following companies. Don't miss out on the opportunity to be recognized amongst your peers at this event.

Copper Level: Freeport-McMoRan Copper & Gold Inc., Rio Tinto/Kennecott
Brass Level: BHP Billiton

Sincerely,

Andrew G. Kireta Sr.
